

## **The MLI Leadership Institute and the Future of Leadership Initiative are looking for a dedicated intern.**

Are you fascinated by new leadership approaches and digital innovation? Do you possess a strong analytic mind but also good organizational skills? If this applies to you, it might be a good idea to read this ad. Our team is looking for a dedicated intern to support the MLI Leadership Institute in consulting some of their major clients in leadership development and strategy activation. Furthermore, you will promote the Future of Leadership Initiative, e.g. through online marketing and organizing its events and programs.

### **About the MLI**

The MLI Leadership Institute Munich is a strategic consulting company focusing on Strategy Activation. We support our clients in transformation processes, leadership and vision development. One of our guiding principles is that the value of a strategy is not only measured by its sales target but primarily by the number of followers. The more people you convince that the strategy will work, the more valuable it is. MLI's expertise is to evolve creative consulting concepts and workshop formats by combining proven consulting approaches with latest findings from cognitive research.

### **About the FLI**

The Future of Leadership Initiative (FLI) is a non-profit spin-off of the MLI. The initiative brings together global thought leaders, senior executives and selected young talents from leading universities. Since 2013, we have developed into the largest and most diverse English-speaking leadership community in Germany. In our open and collaborative Think Tank, we understand, explore, and master the grand challenges of leadership. The FLI Academy provides the leadership skills and capabilities for tomorrow. And within in the FLI Community, we foster meaningful interactions.

### **Application Requirements**

- Full-time availability, starting on February 1<sup>st</sup> or later for at least three months
- Curious in learning more about leadership, innovation and global issues
- Analytical thinking and good grasp of numbers
- Keen on technological topics and at ease in becoming acquainted with digital tools
- A strategic thinker with a passion for conceptual work (consulting experience of advantage)
- Excellent communication skills in English and German (both C1+)
- High-level proficiency in MS Office, especially Power Point and Excel

### **Your Benefits**

- Compensated internship
- Gain profound insights in the consulting business
- Participate in the FLI events and programs
- Establish a remarkable network of global thought leaders, executives and HR representatives
- Extend your organizational and managerial skills just along the way

**You love new challenges and would like to be on board? We'd be more than happy to receive your CV and letter of motivation at [c.morgner@leadership-munich.org](mailto:c.morgner@leadership-munich.org).**
